

## **Estrella, LLC Attorneys Invited to Join Primerus**

**San Juan, Puerto Rico – June 15, 2015** – [Estrella, LLC](#) is pleased to announce that after an extensive vetting process it has been invited to join the International Society of Primerus Law Firms, a highly selective society of the world’s finest independent boutique law firms.

“We are very excited join an elite network that the Wall Street Journal describes as giving ‘consumers a way to pick the good from the bad by establishing a sort of ‘Good Housekeeping’ seal of approval for attorneys’,” said Alberto Estrella, our Managing Member.

“We are proud to welcome Estrella, LLC into our organization”, says John C. Buchanan, president of Primerus. “Estrella, LLC has not only passed our rigorous screening process, but has distinguished themselves as a firm delivering legal services of the highest standards.”

The Firm will join the Primerus Defense Institute (PDI) and Primerus Business Law Institute (PBLI).

PBLI is a collaborative endeavor engaging Primerus defense attorneys and corporate defense representatives for the purpose of lowering business litigation costs and reducing exposure to liability. Attorneys and clients work together in a highly cooperative, low-pressure environment that leads to relationships built on trust. Participating corporate clients are leaders in their respective industries, and participating defense attorneys, like all Primerus attorneys, meet the highest of quality standards.

PBLI member firms are committed to working with clients to meet the challenges businesses face in a global economy. PBLI member firms work together with clients through strategic relationships with the Association of Corporate Counsel (ACC), as well as various other educational and social opportunities through Primerus.

The International Society of Primerus Law Firms (Primerus) is a society of top-rated, independent, boutique law firms that have earned the right to display the Primerus seal of quality. As one of the most respected law firm societies, Primerus has become the size of some of the world's largest law firms. Primerus is growing at an unprecedented pace, and is expanding throughout the U.S., Asia, Europe, Middle East, Africa, Latin America, and the Caribbean. With thousands of lawyers in the society, Primerus members, collectively, offer the breadth of expertise and jurisdictional coverage that only the world's largest law firms can offer to their clients, but at more reasonable rates.

Law firms in the U.S. and Canada must be AV-rated using the Martindale-Hubbell peer review service. For firms outside of North America, consideration is given to respected resources, such as, Chambers Global Guide, Legal 500 EMEA, and IFLR 1000. Additionally, once approved for membership, every Primerus firm is audited, annually, to ensure that the legal services they continue to provide to clients are of a consistent high quality, year after year.
